

HOPE
LUTHERAN CHURCH

S

Choose a verse or section of verses from your reading that jumped out to you and write them in your own words, or copy them directly from the Bible. Highlight any keywords, looking up definitions, synonyms, and antonyms.

cripture

O

Place yourself into God's Word. Answer these questions: Who: Who wrote it? Who was it written to? Who was involved? What: What does the verse say? What does this passage reveal about God? When: When does this take place? Where: What is the setting?

bservation

A

Reflect- What stands out to you? How might the verse relate to your life? Redirect- Is there a promise or a command that you can take to heart and keep on the forefront of your mind today?

pplication

P

Thank God for his Word, and what he has revealed. Confess any sin, thoughts, or patterns he brings to the surface through your study. Remember that he has forgiven every one of your sins! Take the big things and the small things and speak to Jesus about them. He loves to hear your prayer!
